SECTION 01 58 13 - PROJECT SITE SIGNAGE

PART 1 - GENERAL

1.1 SUMMARY

A. The sign erected at the site of new buildings and those having major renovations and/or additions, approved by the Board of Trustees, shall receive a non-permanent sign to remain in place through construction. This sign is to be removed prior to substantial completion.

B. The project AE shall be responsible for the design of the construction sign as well as the location and method of installation. Design and location to be approved by the Architectural Review Committee (ARC).

C. The cost of the construction sign and the installation will be included as part of the project budget.

1.2 SUBMITTAL

A. The sign copy shall be submitted to the Project Manager for review and approval by ARC. With approval, ARC will submit to the Office of the Board of Trustees for review and approval.

1.3 RELATED SECTIONS

A. Exhibit 01 58 13-01 Project Site Sign Template

PART 2 - PRODUCTS

2.1 GENERAL

A. The copy on the construction sign shall include, at a minimum, the items listed below in order of placement on the sign.

1. Official name of the building as approved by the Board of Trustees

2. Date of construction (date the initial construction contracts were approved by the Board of Trustees)

3. University of Illinois, (Campus)

4. Names of the members of the Board of Trustees serving at the time the project was approved, plus those additional members on the Board at the time construction contracts were awarded. The Governor(s) in office at the time shall be listed, with “ex-officio” following the name(s).

5. The President of the University

6. The Chancellor of the campus

7. The Professional Services Consultant

8. The Contractors (names to match Secretary of State website)

9. Source(s) of Financing, per the BOT board item. Funding sources may be abbreviated per BOT review.
This section of the *U of I Facilities Standards* establishes minimum requirements only. It should not be used as a complete specification.
