

Paint/Sign Shop

Painters beautify and protect campus facilities through traditional and custom paint, glass, and sign projects.

Painters

Painters provide full-service painting for interior/exterior walls, doors, and windows.

Additional services include the application of stains/finishes for all casing and cabinetry work made by the mill workers, drywall repair in general-use areas, wallpapering, and graffiti removal. Painters also perform wall washing and the street marking of roads, crosswalks, and parking lots.

Glass and Sign Services

The Paint/Sign Shop performs glass door/window repair and replacement, glass shelves replacement, and skylight work. The shop creates glass marker boards and also makes specialty and customized signs, such as name plates, full color printed vinyl graphics, and banners, including logo reproduction.
